CJD EQUIPMENT

TRUCK TECHNICIANS

- WE'RE BUILDING A NEW SERVICE TEAM
- UNDER NEW MANAGEMENT
- FAMILY FRIENDLY HOURS

We're seeking experienced Truck Technicians to build a dedicated team. Working with world class products, within an Australian owned national company, this role will see you supporting the development of our apprentices, developing healthy working relationships within the team and as you will be working directly with customers in the workshop as well as in the field will require you to have advanced mechanical, diagnostic, technical and communication skills whilst becoming part of the new culture leading CJD Geraldton.

To be considered for this role you will need to be able to demonstrate.

- You are trade qualified HV Diesel Mechanic
- Commitment to HSE policies/procedures
- Experience in computer based diagnostic tools & Parts Catalogues
- An ability to work as part of a team
- Previous experience in field service with trucking, construction or earthmoving industries
- A high level of planning, time management and self-motivation
- Excellent customer service/communication skills
- Air Condition ticket would be an advantage but not essential
- HR or HC Drivers Licence

What's in it for you?

- Uniform / Overalls - supplied and laundered
- Opportunity to work additional hours
- Friendly team, on the job training, job variety
- Go home every night to family and friends

A competitive remuneration package is on offer to match your experience. Send your resume to jdrummond@cjd.com.au or call JIM DRUMMOND on 0400 335 173 for more information.

We can help create a fitting tribute to celebrate the life of a loved one
